**Dr. Tuncer Ören** | University of Ottawa, Canada

Dr. Tuncer Ören is a Professor Emeritus of Computer Science at the School of Information Technology and Engineering of the University of Ottawa, Canada. His Ph.D. is in Systems Engineering from the University of Arizona.

His research interests include advanced methodologies for modelling and simulation, agent-directed simulation, cognitive simulation, failure avoidance, and ethics in simulation as well as body of knowledge and terminology of simulation.

He has over 400 publications including 21 books and proceedings. He contributed to over 370 conferences and seminars held in 30 countries.

Some of the positions Dr. Ören currently has within SCS (The Society for Modeling and Simulation International) are: member of the Board of Directors, VP Publications, AVP ethics, AVP student chapters, distinguished lecturer, and founding director of M&SNet.

Dr. Tuncer Ören's awards include "Information Age Award" from the Turkish Ministry of Culture, and Distinguished Service Award from SCS. Honors and distinctions include recognition by IBM as a pioneer of computing in Canada, invitations from United Nations, over 20 Who's Who citations, and plaques and certificates of appreciation from organizations including ACM, AFCEA, Atomic Energy of Canada, NATO, SCS, Turkish General Staff, and some universities.
