Invited Talks

Agent-Based Simulations of Transportation Terminals

Antonin Kavicka, University of Pardubice (CZ)
Norbert Adamko, University of Žilina (SK)

Human Behaviour Modelling as a Challenge for Future Simulation R&D: Methodologies and Case Studies

Agostino G. Bruzzone, University of Genoa (IT)

Physical Modelling: Some Experiences from Education and

Applications

Borut Zupančič, University of Ljubljana (SI)

Modelica

Peter Fritzson, University of Linköping (SE)

Modelling and Simulation in Health Technology Assessment

Felix Breitenecker, Vienna Univ. of Technology (AT)

• Final Programme

- The final version of programme is available in [PDF](#)

Call for Papers

- Call for Papers available in [PDF](#).

• Important Dates

- *Special Section Proposal: March 1, 2010*
- *Extended Abstract: Deadline Extended April 14, 2010*
- *Acceptance Notification - delayed until: May 26, 2010*
- *Early Registration: June 7, 2010*
- *Camera Ready Papers: June 15, 2010*
- *Early Bird Hotel Registration: June 20, 2010*
- *Hotel Reservation: July 20, 2010*
- *Cancellation of Registration: August 2, 2010*
- **Late Registration: August 31, 2010**
- *EUROSIM Congress: September 6 - 10, 2010*
