

NATO Modeling and Simulation Group – MSG130 - Agenda

La Spezia, near to...

  SCIENCE AND TECHNOLOGY ORGANIZATION COLLABORATION SUPPORT OFFICE			10-Oct	Presenter	Activity	11-Oct	Presenter	Activity
  October 9-11, 2013			0830	Welcome	Recap from Day 1	0900	Welcome	Recap from Day 2
			0840	Riccardo Rovelli	MyIG and MyOcean3D	0910	Karel van den Bosch	Virtual Pilot: agent-based simulation for effective training
			0910	James Short	Using game based simulation for Close Range Weapons training	0940	Roxane Heaton	Research and Development and Synthetic Policy Staff Officer, Maritime Training
			0940	Tom Gambill	Havok and the Maritime Domain	1000	Break	
9-Oct	Presenter	Activity	1010	Break		1030	Anders Frank	A Lecture on our Naval Warfare Game
1315	Administration	Meet at Officers' Mess	1030	Riccardo Caponi	Marine Training	1100	Fabio Camponeshchi	Platform Defend Game
1330	Chairmen and Host	Welcome to La Spezia and Introductions	1100	Mattia Crespi	The Business Side of Simulatn and Entrepreneurship	1130	John Milam	Interdependencies within the Maritime Transportation Sector
1335	Senior Italian Navy Representative	Officers' Mess Welcome	1130	Colin Hillier	VBS2 Maritime Improvements	1200	Chairmen and Host	Wrap Up
1345	Chairmen	Chairmen Update	1200	Not-Host Lunch		1230	Davide Corsanini, Fabrizio Sciarra	Naval weapons training using "Virtual Reality": an Hardware-in-the-loop approach
1415	Agostino Bruzzone, Alessandro Tesi	MOIRE: Virtual Environment for Collective Training on Marine Domain Technology and Methodology for building the Virtual Ship	1400	Geoffery Tompson	Use of the Havok Games Engine in Asymmetric Naval Warfare Training	1330	All	Adieu
1445	Aldo Zini		1430	Alessandro Cignoni	Hybrid Validation Test-bench (HVT) for Autonomous Systems	MSG-130 Commercial Technologies and Games for Use in NATO, with special attention to the Maritime Domain		
1500	Break		1500	Claudio Taraschi	Artificial Intelligence Software for Expert Knowledge Capture			
1530	Jose-Ramon Martinez	LSA architecture as a key solution for naval simulation challenges	1530	Centre for Maritime Research &	Lab Welcome and Tour to Be finalized (just for people registered)			
1600	Roberto Naretto	Reducing Time to Market for Training in the Maritime Domain	1730	MBDA	Lab Welcome and Tour to Be finalized (just for people registered)	Italian Navy Club Viale Italia, 2, 19121 - La Spezia, Italy Wayne Buck - +1.757.580.2583 Stu Armstrong - +44 7917 896 457		
1630	Nicola Toniuzzi	A New Approach to Virtual Training	1800	Antonella Spano'	CWSP Demonstrator			
1700	Lucio Barbucci Luca Isgro (CBT)	Develop Software Application in the Maritime Domain using COTS and	1900	All	Daily Recap Daily Adieu	Tours will be confirmed October 9		
1730	Chairmen	Daily Recap / Daily Adieu No Host Dinner / Navy Club						
if You plan to attend to the Not-Host Dinner at Navy Club please confirm it at Workshop Registration Desk and/or to Wayne.Buck@act.nato.int if You plan to attend to any Not-Host Lunch please confirm it at Workshop Registration Desk and/or to Wayne.Buck@act.nato.int
