

STRATEGOS

*Strategic Engineers use Modeling, Simulation, Data Analytics,
AI/IA & Machine Learning to support Strategic Decision Making,
Predictive Analysis & Security in Industry, Business, Government & Defense*

STRATEGOS...

...who wins a battle makes many calculations ere
the battle is fought, while the general who loses makes few ones

夫未戰而廟算勝者，得算多也；
未戰而廟算不勝者，得算少也；
多算勝，少算不勝，而況於無算乎？
吾以此觀之，勝負見矣。

*Sun Tzu, Art of War,
Laying Plans, 7, 500 B.C.*
