Italy & Europe

Italy is located in South Europe and it is a major attraction for Culture, Arts and Historical Sites; in Modeling Italy is very active currently hosting several headquarters of International Scientific Institutions and Associations (i.e.M&S Net, Liophant Simulation) as well as active on National Basis Associations and User Groups

GENOVA is the Italian Name of the Town, established V Century B.C.

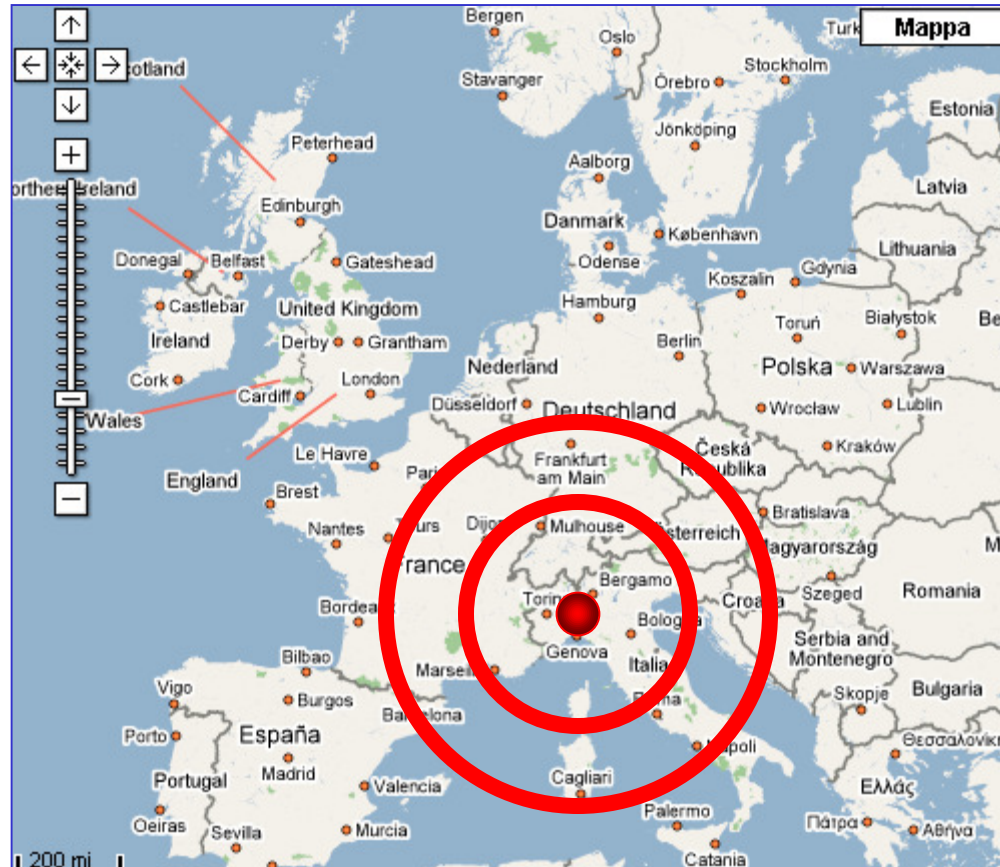

Genoa is the English and German Name of the Town

Gênes is the French Name of the Genova Town

Genoa & Italy

**Genoa Area is in the South of Europe on the Middle of the Italian Riviera
Bordering with France Cote d'Azur
In Genoa Area are located major R&D Institutions as well as Company
interested in Defense (i.e. Fincantieri, Ansaldo, Selex)**

Genoa Area

Genoa Area is located in the middle of Italian Riviera about 100 Miles south of Milan, 300 Miles North west from Rome and 100 Miles from Montecarlo and 20 Miles to Portofino

We identified aS solution for the Winter Meeting in Italy the Faculty of Engineering, Villa Cambiaso, via Montallegro 1, 16145 Genova, Italy

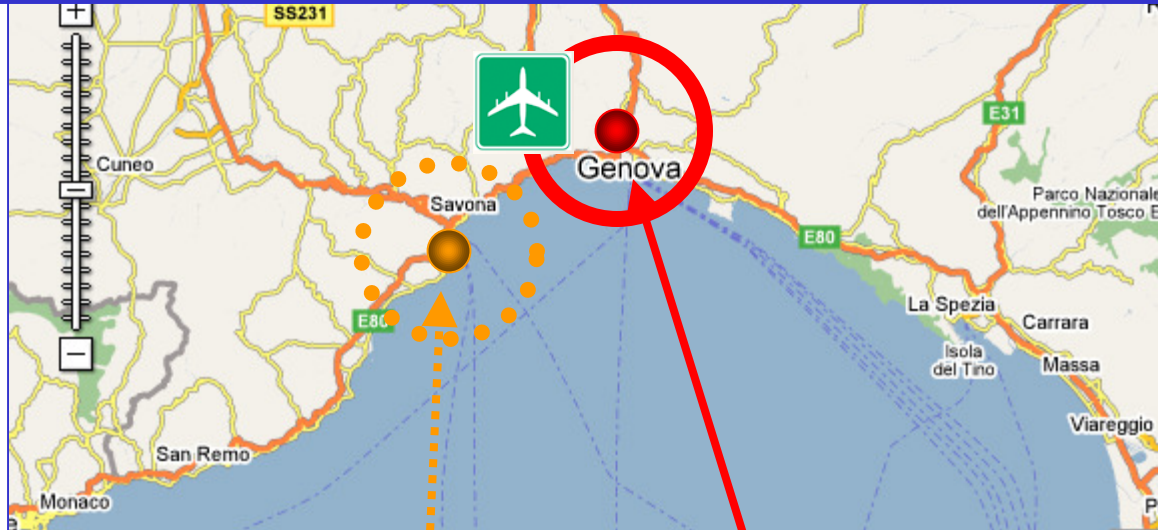

Genoa University Locations

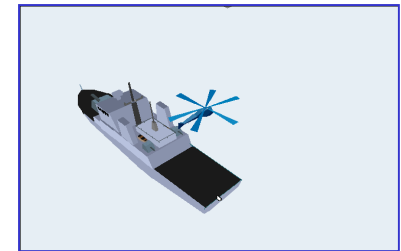

The Genoa University are located on the Coast near to the Genoa International Airport
